## 4 New Features:

### SAMHSA Survey Proposed Changes

- The following defines the items relevant to authorizing the SAMHSA Survey that will be requested by CMO organizations. Once the surveys have been completed, the CMO will need the ability to upload the documents to CYBER. There is also a Service Code needed for the survey that will be available for selection by all CMO's.
- The service code, CSA99 SAMHSA Survey, will be available to all CMO's
- The authorizations created will not be fed to the State Medicaid Fiscal Agent in the prior authorization feed.
- There are no clinical criteria for this service so plans where the survey is requested can be auto routed.
- The 2021-2023 SAMHSA NOMS2 PPS2 – document type with the following sub-types will be available for selection:
  1. NOMS2 Baseline
  2. NOMS2 Re-Assessment- 6, 12 months, etc.
  3. NOMS2 Transition
  4. NOMS2 Consent

## 5 Enhancements

No new enhancements are included in this release.

## 6 Defect Fixes

No new defect fixes are included in this release.
