Substance Use Treatment Service Providers

Residential Treatment Center: Behavioral Health- Substance Use (BH-SU)

RTC-BH/SU are 24 hour supervised residential, community-based settings for adolescents primarily 13-18 years old, who present with co-occurring substance use treatment needs. Services are accessed through the county-based Care Management Organization (CMO).

Families and youth may contact PerformCare directly at 1-877-652-7624 to confirm their eligibility for services.
