

## FSO Report NJ1435\_FSO\_CFT\_Attendance

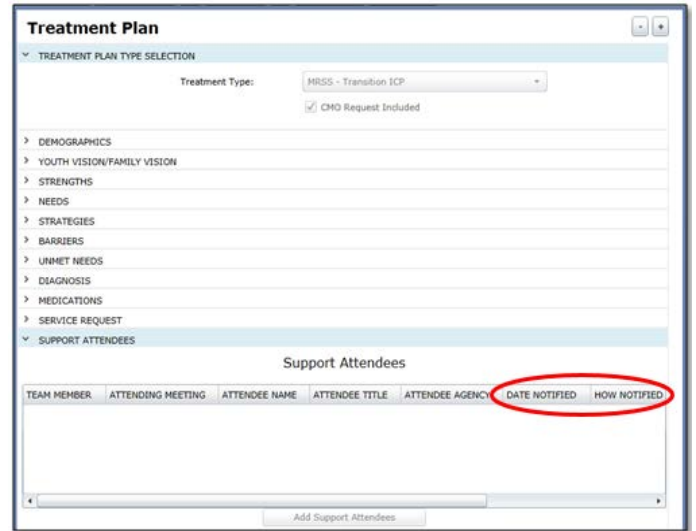

### I. Description

The FSO CFT Attendance report will satisfy CSOC reporting needs by measuring FSO participation in Child and Family Team Meetings. The report will count the number of CFT meetings the FSO actively participated in via the Support Attendees accordion in the Treatment Plan\*, along with Date Notified and How Notified columns.

\*CMO Treatment Plans such as:

- AR90D - Annual Review
- CR90D - Comprehensive 90
- InitISP - Initial Service Plan
- SC - Service Change
- TISP - Transition Service Plan

Note that this data is currently generated by the responsible CMO. The report looks for Notification Date (Date Notified) and Method of Notification (How Notified) within the FSO Episode Start and End Dates. The report will also show the percentage of CFT meetings the FSO attended against the total meeting invitations based on the date range entered by the user.

### II. Accessing Reporting

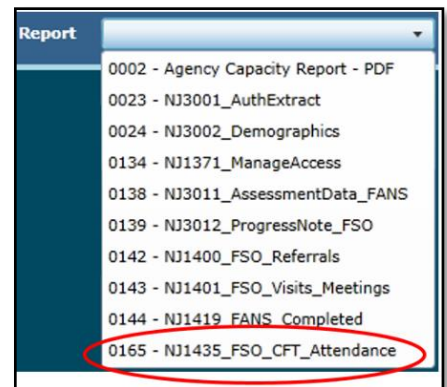

FSO users may access the Reporting Functions screen by clicking the **Reporting** button once they have logged into CYBER.

- *The NJ1435\_FSO\_CFT\_Attendance Report is visible to all FSO Level 3 CYBER users.*
