

## FSO Report NJ3011\_AssessmentData\_FANS

### I. Description

Report NJ3011AssessmentData\_FANS displays Family Assessment of Needs and Strengths (FANS) assessments created by a Family Support Organization (FSO) in a selected date range that looks for assessments created in the date range. The report allows the user to filter by the date range date, Family Support Organization (FSO) Worker, and youth last name. The report will default to the date range of the prior month and display all the FANS created in the default date range.

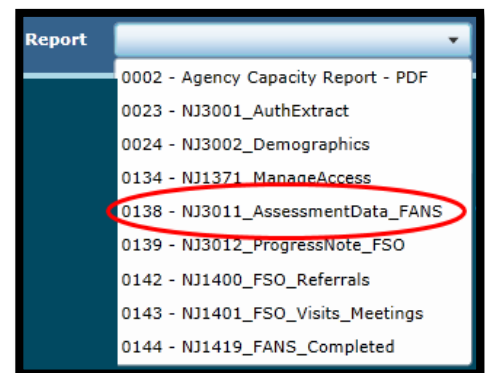

### II. Accessing Reporting

FSO users may access the Reporting Functions screen by clicking the **Reporting** button once they have logged into CYBER.

- *The 0138 – NJ 3011\_\_AssessmentData\_FANS Report is visible to all FSO Level 3 CYBER users.*

From the Reporting Functions screen, the Program (Agency) the user is associated with will display by default in the Program box.

Next, the user can select the appropriate report they wish to run. To run the **0138 – NJ 3011\_\_AssessmentData\_FANS Report**, the user would select this choice from the drop-down listing: 

The user will click the **View Report** button to view the report and set parameters to return specific data.

### III. Setting Parameters

The report contains various parameters that the user may select to customize the report. The following parameters may be adjusted:

- Start date/End date – The user will be able to enter a start date and end date to identify a range or time frame of when FANS were created. The report will produce all the FANS created for the range entered.
- Last Name - the user may enter a Youth’s full Last Name or partial Last Name to pull specific data for a particular youth. This parameter is not required and may be left blank if the user clicks the Null check box.
- FSO Worker – the drop down contains a list of FSO workers for the specific agency. The report will show assessments created by all the FSO workers in the date range, however, the user has the ability to select one or multiple FSO workers from the list.

## IV. Report Fields

The report shows fields specific to each FANS. Additionally, the report is filtered by the agency of the user initiating the report request. Once generated, the report displays the following fields:

The screenshot shows a web application interface for generating reports. At the top, there are navigation links: "View Report" and "Back to Report Selection". Below this, there are search filters: "start date" (8/1/2018), "end date" (8/31/2018), "Last Name" (with a "NULL" checkbox), and "FSO Worker" (with a dropdown menu). A "View Report" button is located to the right of the date filters. Below the filters is a table with the following columns: "Family Support Worker", "CYBERID", "LASTNAME", "FIRSTNAME", "DOB", "Age", "Age Group", "Gender", "ASSMT ID", "Assmt Type", and "FANS". The table currently shows one row with the value "1" in the "CYBERID" column and "2?" in the "ASSMT ID" column. There are also navigation icons for the table, including "Find" and "Next".
